

PERSONAL STATEMENT

Jose Eric Garcia for Delegate

I have been working in the admissions for field for over 7 years and prior to that worked as a college football coach and college track coach for 13 years. I believe my blend of recruitment experience both from admissions and athletics gives me a unique perspective on recruitment.

I also have had years of experience working with nonprofits and community-based organizations through my work in college admissions. I am a diligent and driven person who will push himself to make sure the goal and task is accomplished. I am also very passionate in helping people and constantly continuing to learn.
